GAELIC WEAVES

GAELIC WEAVES

Gaelic Weaves is a premium collection of bouclé jacquards that includes a Chanel-look houndstooth and Jackie O-inspired check. A variety of semi-plains and action plains with interesting textures and yarns also feature, as do a chenille leafy design and, the wild card of the collection, a traditional floral tapestry. This collection will bring grace to luxurious homes, be it a New York penthouse or a Scottish country manor.
